

THE MACROBIOTIC ASSOCIATION

Why Take the MBA Accreditation Assessment

To maintain the highest standards of practice and promote wider recognition of the macrobiotic approach to personal and planetary health and healing in society today, the MBA established an accreditation process for these two healing arts.

Macrobiotic Health Coach & Cook

Accreditation endorses your work to coach people in macrobiotic cooking, nutrition and ways to live a healthy, happy, life. To teach cooking delicious, natural food for individuals, families, groups, parties. To give classes on health and wellbeing with effective simple exercises or offer basic advice working in a health food shop.

Macrobiotic Consultant.

The Consultant deepens and broadens their skill through committed study, practice of Oriental and Western natural healing and assisting an established consultant.

Accreditation endorses your work to guide individuals and families toward optimum health / happiness, and assist with a variety of health problems.

The Benefits being an Accredited MBA Professional Member
